Forgotten God by Francis Chan

This is an invitation to understand, embrace, and follow the Holy Spirit's direction in our lives. In the name of the Father, the Son, and ... the Holy Spirit. We pray in the name of all three, but how often do we live with an awareness of only the first two? Jesus promised to send the Holy Spirit—the Helper—Unfortunately, today's church has admired the gift but neglected to open it. We've ignored the Spirit for far too long, and we are reaping the disastrous results. Time to stop and remember the One we've forgotten, the Spirit of the living God.

→Beginning **Wednesday, October 5 from 6:30 - 8:30 PM** (new this fall)

Ruth, Romance & Redemption by David Jeremiah

This story is filled with the power and passion of pure love. We learn from example that the Book of Ruth is about real, genuine love. This also teaches us that God has a special place in His Word for women, and for the unique, miraculous role they play in His plan. Most importantly, the Book of Ruth is a story of God's purpose to redeem all those who will put their trust in Him, simply because He loves them.

Living Free Learning to Pray God's Word by Beth Moore

Explores the somewhat-radical idea that we cannot please God by being perfect. The study begins by defining false strongholds, then focuses on five key benefits for every believer, including how to find satisfaction in God and experience God's peace. Participants can learn how to develop a Godward focus in life, while beginning to incorporate the key benefits in their lives through practices of prayer and Bible study.

Men's Study, at Java Jo'z Led by Mike Biesiadny

29134 Evergreen Dr. Waterford, WI

Currently studying the book of **James**. Verse by verse discussion as this group of men work their way through books of the Bible. Bring a Bible and join them any time!

The main theme of the book of James focuses on godly behavior and obedience to the Word of God. James wrote extensively about the relationship between faith and works, which can cause confusion when comparing with the writings of the apostle Paul.

However, James emphasizes that we are justified by faith but it needs to be expressed through works of faith (as opposed to works of the law), so given that preface there is no contradiction.
